

A Course in Miracles

Living In Love Instead of Fear

Choose to live in love.

Choose **to listen** to a Voice of Strength within instead of a voice of weakness. Open to an inspired way of experiencing yourself and all the relationships in your life. Dare to flourish and heal.

Come join us as we explore the wondrous principles of the internationally popular **A Course in Miracles**, a spiritual psychotherapy program that has provided millions of individuals with the tools to return to an experience of their own amazing inner guidance and life's purpose.

Through selected readings, group sharing, guided meditations, and listening to the Voice of our Inner Teacher, we will explore how to see our lives with insightful eyes and make fearless decisions that lead to inspired outcomes. It's time to stop holding ourselves back from the power within us that can heal not only ourselves, but the world we live in. It's time to claim our mission instead of our misery. It's time to choose to live in love instead of fear.
